

From: Alexandra Stocker
To: Microsoft ATR
Date: 1/3/02 12:50pm
Subject: Microsoft Settlement

To The Justice Department:

Please end the litigation against Microsoft once and for all. As a taxpayer, consumer, and small business owner, I object to our government intervening in the free market and persecuting a company such as Microsoft, one of America's great success stories, whose only crime was to be too successful.

Sincerely,
Alexandra Stocker
